

Thanks for choosing to order a custom slate!

To get started, there are a few things we need to know. Have a read of the below information, then fill out the questionnaire as best possible and email back to [Hannah.klassek@gmail.com](mailto:Hannah.klassek@gmail.com)

Feel free to call or text me on 0408 535 341 with any questions you might have.

**Good to know:**

All slates come with complementary design. Be sure to email the official logo or image of the production to have it included on the slate.

It's a 5-business day turnaround from when the final artwork is approved (if we're doing it for you).

Want to create your own design? No worries, send it through as an Illustrator, Photoshop or PDF format. If sending as a PDF please delete the surrounding line (the slate shape) so it can be printed correctly.

Let me know if an official quote is required first before starting work.
